

Errata

Volume 9, Issue 2

If you downloaded articles from this issue prior to December 2, 2020 at 10:30 a.m. Eastern Time, you should re-download the articles. Due to a problem with the published PDF of Alice Leri's article, "How firms fail at D&I: Inclusion, Hegemony and Modest Fashion," we have replaced it with the correct version. This affected pagination as well of the following articles: Malefyt & Johnson, Knudson, Joy, Pena, and Armano, Hildebrandt & Hindi, and Powell. So you should also re-download these articles.

We apologize for any inconvenience.
